### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. The application has been amended as follows.

Please refer to the attached Notice of References Cited indicating that DE 3235752 A1, which was initially not considered by the Examiner, has been considered pursuant to Applicant's request.

### ***Reasons for Allowance***

3. The following is an examiner's statement of reasons for allowance. The prior art fails to disclose a lighting device with the following features:

1) a third pattern having a third pattern color with a lighting device that emits a first lighting color and a second lighting color as recited in claim 17;

2) a third pattern color that is substantially different than the lighting color that is a combination of the first and second lighting color as recited in claim 25;

3) the button being illuminated with a first lighting color while a speaking mode is set as recited in claim 29; and

4) the button being illuminated with the first lighting color while a name input mode is set, and the lighting device illuminating the button with a second lighting color while a telephone number input is set as recited in claim 30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

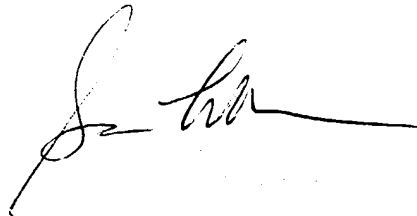

***Conclusion***
